#### **SUMMARY OF THE REASONS FOR DECISION:**

The DVD *No Mercy* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The DVD contains a feature previously examined and classified in video format by the Office of Film and Literature Classification. The video recording *Pirate Video Production 10 No Mercy* was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 12 November 1999.

The DVD has additional components, including a report on the making of the feature, still photographs, biographical profiles of members of the cast, and several trailers for other DVDs. These other components also contain explicit sexual material. However, this additional material does not affect the classification given to the original publication.
